

# OC-KP

## Organically Chelated Potassium & Phosphorus

**Soilsmart**

*Soil and Plant Management*

**OC-KP** is a high potency foliar Potassium and Phosphorous fertilizer.  
**OC-KP** is **Nitrogen free** and will not lead to undesirable vegetative growth.  
This makes it ideal for use as a finisher to enhance ripening, colour or root

Organic chelating and complexing agents are used in the manufacturing of this product to facilitate efficient absorption and translocation in plant tissue, resulting in fast uptake and response.
