

# SoilSafe Greens Grade Bio-mineraliser

**Soilsmart**  
*Soil and Plant Management*

SoilSafe Greens Grade Bio-Mineraliser is a fertiliser, soil conditioner and biological inoculant in one. It contains more than 20 components. It is a 'living fertiliser', where organic acids and microbes have been used to complex the minerals and nutrients.

Bio-Mineraliser also contains organic carbon and rock minerals to build CEC and soil quality.

Bio-Mineraliser provides a slow, continual release and is a perfect addition for light/sandy profiles.

It is also the perfect complete' option for renovation or maintenance programs.
