

# TriGuard

## Root Feeding Insect Deterrent

**TriGuard is a safe and effective alternative to relieve the pressure associated with Nematodes, Ground Pearl & other root feeding organisms.**

**TriGuard contains natural occurring oils extracted from several plants including Tea tree, Neem, Eucalyptus & Clove oils.**

**TriGuard also contains Humic & Fulvic acids and nutrients to help relieve stress affected plants.**

**It is probable that these natural compounds will provide plants with a continuing level of protection against invertebrate pests.**

**TriGuard is best used as a preventative in early Spring & Autumn or strategically at times of stress.**

<b>Nitrogen</b>	<b>Potassium</b>	<b>Humates</b>
<b>5.75%</b>	<b>0.26%</b>	<b>2%</b>
